attend as possible. The other was to make an effort to sell more ads for the Seed Pod.

Mr. Gilliard gave a report on the newly formed Judging Rules and Flower Show committee. It is hoped that this committee will have a full report to present at the Annual Meeting.

Show Dates:

Before we list the show dates let us quote from the AHS by-laws, Article XI, Section VIII: "Local Chapters shall have complete jurisdiction over their shows with the exception of matters pertaining to Nomenclature and National Awards." Any chapter may pick any date they wish for their shows. As of press time here are the show dates. If yours is not listed it is because this office has had no word from your chapter.

Feb.	18th	Winter Show at State Fair
July	9th	Indian River
Aug.	27th	Ridge
Sept.	10th	Jacksonville and Mid-Florida
Sept.	17th	Halifax
Sept.	24th	Putnam
Oct.	1st	Sunset
Oct.	8th	DeLand

"I've never made love in a car before," he said as he shifted gears with his foot.

HIBISCUS by HUDSON

863 Madison Avenue
Daytona Beach, Florida

Thank you for inviting us to sell plants at your AHS shows last season

A few of the beauties featured

Cerese Beauty	Nina Freeman	Golden Bell
Molly Cummings	Con-fu-tsi	Bleeding Heart
Rose Marie	Calypso	Dick Pope

"QUALITY PLANTS AT QUALITY PRICES"

LETTERS! WE GET LETTERS!

Dear Mr. Monroe,

Re new nomenclature list. Our chapter heartily approves of your plan to revise the form of the list and eagerly await receiving additional supplements.

Congratulations on the modernizing job.

Tropical Chapter
Margaret L. Curns

Dear Jimmie,

The Seed Pod gets better every issue. Thans for including my classification in your last quarterly. Since sending it in I have received a shipment from Mr. Egolf with U.S.D.A. of Hibiscus with names of varieties I did not know existed. . . . . .

I have received many inquiries from large nurseries operating on a National Coverage . . . . . .This will undoubtedly in time lead to flower shows and memberships in the north. Would you be interrested in such or would you prefer to keep the American Hibiscus Society on the basis of tropicals only? . . . . . .

C. S. Kennedy
Hybridizer of Hibiscus
Dublin, Ohio

Dear Mr. Monroe,

We had rather wait for any additional supplement sheets, rather than receive them in the "Seed Pod" which would cause a crease in the middle of the page. The new index makes it much easier to find what you want as to color and type.

Mr. & Mrs. C. E. Landers
Jacksonville, Florida

It's a great pity that, because of the force of gravity, it takes more energy to close the mouth than to open it.
